MEMORANDUM FOR: Deputy for Operations Training

INFO : Chief of Station, [REDACTED]
Chief, Functional Training Division
Chairman, Curriculum Committee

STATINTL

FROM : Alfonso Rodriguez
Director of Training

SUBJECT : Cooperations between [REDACTED] and ALT

STATINTL

1. The draft report from the Chief, Audit Staff, on the audit survey of OTR contains a paragraph as follows:

"A potential problem area is the working relationship between the OTR instructors, particularly the ALT instructors, and the operations instructors at [REDACTED]. There is no training workshop between the two groups of instructors where new training ideas and instructional techniques can be exchanged."

STATINTL

2. The auditors have highlighted what appears to be a lack of cooperation or exchanges of experience and views between the instructional staffs at [REDACTED] and in FTD. At one time OTR used to conduct workshops involving instructors from both elements. I would like you to look into the situation and to develop appropriate means to ensure that cooperation between the two staffs is increased and arrangements are worked out for the regular exchange of experience, views, and materials on operations training.
